

VARANASI CITY

## Technical Specifications

### General

ID	: 26791
System Wattage	: 50W LED
Driver Integral	: Constant Current
Operating Voltage	: 100-277Vac
Operating Temperature	: -15°C~+50°C

### Physical

Body	: Spun Aluminium
Diffuser	: Clear acrylic (A9) / Clear Polycarbonate (A12)
Mounting	: Suitable for mounting to internally threaded pipe of designation M30

### Finish

: Powder coated
